

## **Roleplay Rules**

---

This is our official server rules. Please read as ignorance does not protect against punishment.

All rules are subject to change without notice, staff reserve the rights to punish individuals for other reasons than stated in this document.

---

# General Rules

---

- You must have a working microphone.
- You must be at least 16 years old to play.
  - You may be asked for a form of identification if we do not believe you are of age to play.
- You must have clipping and/or recording software available to use at all times.
  - This is a must when opening a support ticket for reporting bugs or reporting other players. We will not be able to assist you if you cannot provide a clip.
- Any form of discrimination will result in you getting removed from the community.
- Any form of harassment will result in you getting removed from the community.
- Any form of disrespect or toxicity will result in you getting removed from the community.
- Any form of advertising will result in you getting removed from the community.
- You must use a realistic character name.
- You must allow roleplay to continue before making a report.
  - You must not break character or refuse to roleplay if you are in a situation where you feel that someone has broken a rule
- If you leave the community you will lose your whitelist role and will be made to reapply.
  - Your whitelist can not be transferred to another account.
- The use of controllers is permitted.

# Server Rules

---

- **Metagaming**
  - Using or relaying information which is used to benefit roleplay through other means outside of the server will result in a ban.
    - This includes but is not limited to; discord calls, text chats, screensharing, live streams.
- **Random Deathmatch - RDM**
  - You must have a valid reason to kill another player within roleplay.
    - Killing a player should be the last resort as there are many other ways of role playing without players losing their life.
- **Vehicle Deathmatch - VDM**
  - You must not use a vehicle to inflict any damage to another player or groups of players.
    - Do not use vehicles as a weapon to intentionally harm or kill another player without a valid reason within roleplay.
- **Powergaming**
  - You must not use GTA mechanics or scripts in order to gain an unfair advantage.
    - Each action you take must be carried out in a roleplay situation and as realistic as possible.
- **Breaking Character - OOC**
  - You must always stay in character.
    - Do not break character within the server unless approached by staff.
- **Voice Identification**
  - You are permitted to remember a character's voice in order to identify them.
    - Only remember a character's voice when you have met them in roleplay within the server.

- **Combat Logging**
  - You must not leave the server during an active roleplay scene.
    - You must not store any vehicles away or pull out another vehicle from a garage.
      - You must not engage in roleplay if you know you will not be able to complete a scene.
- **GTA Driving**
  - You must use the roadways when using a vehicle.
    - Going up hills, taking jumps in a vehicle is not permitted.
- **Force Roleplay**
  - You must not force or interfere with another player's roleplay scene if you are not part of it.
- **No Value Roleplay**
  - You must realistically fear for your life when threatened with a weapon.
    - You must fear for your character's freedom at all times, this includes not bringing your character into any potential disadvantage or harm by providing yourself as a hostage.
- **New Life Rule**
  - If you are in a coma and injured without forcing a respawn, you will forget everything that led to your coma.
    - During this you must not use any information that leads to your coma, this includes retaliation or going to the police to report the incident.
  - If you are in a coma and forced to respawn, you must not return back to the roleplay scene.
    - You must forget everything about the roleplay scene.
- **Injuries**
  - You must roleplay your injury to the best of your ability.
    - You must create roleplay for the NHS when paramedics are active.
- **Hostage Taking**
  - You must not stage an event where you are using a fake hostage in order to gain a demand from the police.
    - You must try and kidnap someone your character does not interact with.

- Scamming
  - Scamming is permitted on the server for illegal items only.
    - Illegal items are items that are considered seisable by the police.
- Character Deletion
  - You must provide a valid reason when requesting a character to be deleted.
    - You must not give all your items and/or cash away to another player in order to obtain them on your new character.
      - Your new character will not know anybody within the server until you have interacted with them.
- Impersonation
  - You must not impersonate any whitelisted jobs, government officials or staff.
    - Whitelisted jobs are currently; police, NHS, player owned businesses.
- Gangs
  - You must have a gang whitelist in order to roleplay gang scenes.
    - The gang package can be purchased on the server store.
- Robberies
  - You must not start a high tier robbery with less than 1 hour to restart.
  - You must not start a low tier robbery with less than 30 minutes to restart.
    - You must not have more than 2 vehicles at any robbery or heist.
    - When doing a robbery your character must be wearing and carrying a duffle bag.
- Fail Roleplay
  - Every action your character takes must be as realistic as possible.
    - You must not escort, cuff or carry another player with no roleplay.
    - You must not escort or carry another player whilst in a vehicle.
      - All players must be in a seat or in the boot.
    - You may talk when downed but you must not talk when dead.
      - If you have life threatening injuries this must be roleplayed accordingly.

- Robbing whilst dead
  - You must have a valid reason for robbing or killing a player.
    - You must choose to either rob the player or kill the player.
      - You may not kill the player then rob them.
      - You may rob a player and down them.
  
- Whitelisted Jobs
  - You must wait 2 weeks before applying for a different whitelisted job if you decide that the current job is not for you.
    - You may continue to work during the 2 weeks period but this is not a requirement.
  
- Initiation
  - You must give equal opportunity for all players involved in the scene to roleplay.
    - There is no timeframe on initiation as long as reasonable events that take place are still remembered by your character.
      - You must have a valid reason to initiate with someone.
  
- Baiting
  - You must not seek to start forced interaction with police in order to initiate a scene for no reason.
    - Police will initiate based on active scenarios they are called to.
      - There needs to be a valid reason to kidnap a police officer.
        - This does not include kidnapping an officer because another player is in custody.
    - You cannot steal police vehicles without a valid reason to do so.
  - You must not call an emergency service in order to rob, kidnap or ambush them.
  
- Corruption
  - Corruption is not permitted within whitelisted jobs.
    - If you feel that you must roleplay corruption you must open a support ticket and explain your reason.
      - Your explanation must be accepted before any corruption takes place.

- Green Zones
  - You must not initiate, harm or cuff anyone inside a green zone under any circumstance.
    - This includes in and around any Green Zone markers on the map.
      - Green Zones that are not marked on the map include; player owned businesses.
        - You must not enter these zones to avoid a roleplay scene.
    - Police are the only job allowed to cuff players within these zones.
- Disruption
  - Any disruption in a roleplay scene is not permitted.
- Roleplay over Rule play
  - We allow roleplay over rule play in certain roleplay scenes.
    - This will be down to the staff's discretion if they are on scene.
      - Players within the roleplay scene must also be happy with the staff's discretion.
- Police Pursuit
  - Whilst in a police pursuit you must only drive on roadways
    - Pathways and dirt roads are permitted
  - You must not drive your vehicle off any jumps around the server.
    - This includes driving into a body of water.
      - You are not to camp the water when approached by a police boat. You are to fear when tasers and/or weapons are drawn.
      - You are not to stay in the water for longer than 5 minutes, You are to return to land.
- Police Equipment
  - You must not take any police issued equipment.
    - This equipment is whitelisted and job specific.
      - This includes other job specific whitelisted items.
    - Evidence taken off players may be taken off officers within roleplay.
- Body Dumping
  - You are not to dump bodies in locations where they cannot be helped by the NHS or paramedics.

- Weapons
  - Job specific tools are not permitted to be used as a fear weapon.
  
- Admin Situations
  - If you are pulled from a roleplay scene or a staff member is talking to you, you are not to walk away from them or log off the server.
    - This will result in a ban.
  - If a green flashing light police vehicle is present on a roleplay scene, all players must freeze in place and allow the staff member to talk to specific players on the roleplay scene.
    - Failure to freeze will result in a warning.
      - The green flashing light is visible in buildings and underground so please be aware of your surroundings.
  
- Exploiting
  - You are not permitted to use any macro, script or software that automates or alters your gameplay.
  - You must report any bugs through the support tickets.
    - If you are caught exploiting bugs you will be removed from the community.
      - This includes keeping items, cash or weapons obtained through bugs.
  
- Erotic Roleplay
  - Any form of erotic roleplay will result in you getting removed from the community.
  
- Aircrafts
  - Aircrafts are not permitted to be flown under 500 ft anywhere across the server.
    - With the exception of landing the aircraft.
      - Police and NHS Mavericks are exempt from this rule.
      - Your aircraft may be intercepted if not given clearance.
    - You are not permitted to land helicopters anywhere besides an appropriate landing pad, or a landing zone marked off with flares.
    - You are not permitted to land an aeroplane anywhere besides an appropriate runway.
  
- Server Restarts
  - Ensure you are not roleplaying an active scene before a restart.
    - If you are in an active scene, that scene will be cancelled after restart when loading back into the server.

- **Store Purchases**
  - All payments are final and non-refundable.
  - Attempting a chargeback or opening a PayPal dispute will result in you getting removed from the community. If you're under 18, you must have parental/guardian consent in order to make a purchase from our store.
